

ELECTRICAL PRODUCTS

Heavy Duty Connectors

A step up from soft, molded vinyl connectors. Sierra Heavy Duty connectors and kits are designed for frequent use where reliability and long life are paramount concerns. When installing, close attention should be paid to the wiring diagram which shows industry standards for circuit positions and wire color codes. This will assure proper electrical function.

TC51474

6 Pole Round Converter Kit

This kit is used on tow vehicle to convert any Sierra T-Connector standard 4 pole flat connector - or other 4 pole system - to a 6 pole round connector.

Display Package

Electronic Taillight Converters

These reliable electronic devices enable tow vehicles and trailers with mismatched light systems to work together.

TC43504

Amber/Red to Red Taillight Converter

Universal SPLICE-IN trailer converter for cars and trucks with separate stop and turn signals. Electronic taillight module converts tow vehicle's amber turn signal and red brake light into one combined red brake/turn signal on your trailer.

TC43514

Tow Vehicle Side

① Unit ends with a 4 pole flat connector.

Adapters

These adapters allow a tow vehicle with a 4, 6 or 7 pole socket to tow a trailer with a different configuration plug. Quality molded plastic connector stores in glove box when not in use.
