## Ignition Switches

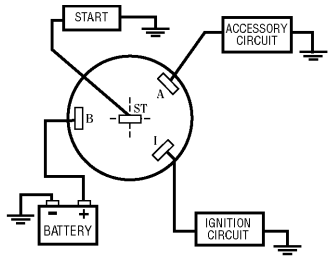

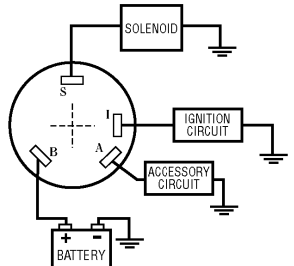

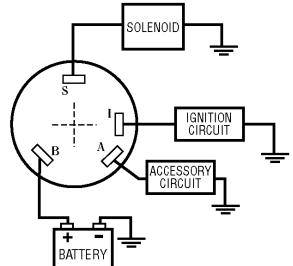

### IGNITION SWITCHES

Sierra offers the most complete selection of high quality polyester and brass ignition switches for the marine industry.

**Marine grade glass-filled polyester switches**  
**Maximum corrosion protection – eliminates oxidation**  
**Inner seal between cylinder lock and contact plate**  
**Non-conductive housing eliminates potential shorts**  
**20 Amp rating**  
**2, 3 and 4 position switches**  
**Switches for magneto and conventional ignitions**

**Brass ignition switches**  
**Corrosion resistant construction**  
**15 Amp rating**  
**2, 3 and 4 position switches**  
**Switches for magneto and conventional ignitions**

### 4 POSITION CONVENTIONAL – ACCESSORY – OFF – RUN – START
